Subject: Re: National Environmental Conflict Resolution Report for 2017
Attachments: FY 2017 EPA ECCR Annual Report Final.pdf

I want to thank each of you for your support of the use of environmental conflict resolution processes in Region 8. Attached you will find the 2017 national Environmental Conflict Resolution report that describes what EPA headquarters and all ten regions accomplished last year using a wide variety of alternative dispute resolution approaches. This report is also posted on the 8Net under Services/Environmental Conflict Resolution.
